

MS. HEATHER'S EDUCATIONAL ADVENTURES

ADVANCED CHRISTIAN PRESCHOOL

**2022-2023 REGISTRATION FORM
ADVANCED PRE-K (AGES 4-5 YEARS)**

PROGRAM DESCRIPTION:

Ms. Heather's Advanced Preschool for children ages 4-5 will begin on Tuesday, September 6, 2022. The last day of the program will be Thursday, May 18, 2023. This program will be offered four days a week – Monday, Tuesday, Wednesday, and Thursday from 9:00-12:30. Morning carpool starts at 8:30. There will also be optional after school classes offered from 12:30-1:30 each day.

Each child will participate in developmentally appropriate activities for his or her age level. This Pre-K experience will emphasize growth in language and literacy, math concepts, science, social studies, arts, health and physical development, and social and emotional growth. We use an advanced curriculum integrating Pre-K and Kindergarten objectives to challenge and meet each student's individual needs. All students will learn how to read before the end of the school year! This is a great program for children who need one extra year before Kindergarten. Your child will have the advantage of receiving a quality Christian preschool education in a small setting with an experienced and nurturing teacher.

This private Pre-K program is for children ages 4-5 years old. The Registration Fee of \$300 per child is a non-refundable and non-transferable fee, which reserves your child's spot in the program. It is used to order art supplies, consumable Pre-K work books, a class folder, school book bag, school teeshirt, and a school year subscription to a weekly preschool magazine. The annual tuition can be paid monthly in the amount of \$345 for the months of September-May if all payments are made by the 1st of every month when the monthly installment is due. Tuition is due on the first day of each month with late fees beginning on the 5th of each month. Absences will not result in a reduction of tuition as registration is for the full school year (9 months).

Parents will be asked to pack a healthy lunch for their children. Parents will also be asked 2-3 times during the year to provide a large box of crackers, cereal or other healthy snack for the children to share as a mid-morning snack. Children must be completely potty trained to attend the program.
