We use an advanced Fourth Grade curriculum adding depth into the objectives to challenge and meet each student's individual needs. All students will be reading and comprehending at an advanced Fourth Grade level or higher by the end of the year. Your child will have the advantage of receiving a quality Christian Fourth Grade education in a small setting with an experienced teacher.

This private Fourth Grade program is for children ages 9 to 10 years old. Students must be nine years old as of September 1, 2024 to participate in this class. The registration fee is \$600 per child and is a non-refundable and non-transferable fee, which reserves your child's spot in this program. It is used to order books, art supplies, consumable materials, class folders and notebooks, school backpack, school teeshirt, a Bible, a subscription to Georgia Studies Weekly and Georgia Science Weekly, leveled readers, curriculum materials, and more. The annual tuition will be paid in 12 monthly payments in the amount of \$525.00. Payments will begin in June to help lower the monthly cost of tuition. Tuition is due on the first day of each month with late fees beginning on the 5th of each month. The total tuition for the year is \$6,300. Absences will not result in a reduction of tuition as registration is for the full school year (10 months).

MAEV Academy at Ms. Heather's Educational Adventures will utilize the state curriculum standards to provide a consistent academic foundation for students as they progress through an advanced academic experience. This advanced program focuses on Christian values which will
