PROGRAM DESCRIPTION:

Ms. Heather's Advanced Preschool for children ages 2-3 will begin on Tuesday, September 2, 2025. The last day of the program will be Tuesday, May 19, 2026. This program will be offered as a two day or four day option from 9:00-12:30. Morning carpool starts at 8:30. There will also be optional Toddler Play enrichment classes offered from 12:30-1:30 each day. Each child will participate in developmentally appropriate activities for his or her age level. This preschool experience will emphasize growth in language and literacy, math concepts, science, social studies, arts, health and physical development, and social and emotional growth.

This private program is for children ages 2-3 years old. Students must be two years old as of September 1, 2025 to participate in this class. The Registration Fee of \$450 per child is a non-refundable and non-transferable fee, which reserves your child's spot in the program. It is used to order art supplies, classroom necessities, school book bags, school teeshirts, school year subscriptions to a bi-weekly preschool magazine, and much more! The annual tuition for the four-day program can be paid monthly in the amount of \$425 for the months of September-May if all payments are made by the 1st of every month when the monthly installment is due. The annual tuition for the two-day program can be paid monthly in the amount of \$325 for the months of September-May if all payments are made by the 1st of every month when the monthly installment is due. Absences will not result in a reduction of tuition as registration is for the full school year (9 months).

Mandatory Evaluation for all new students!

All new students in our 2-3 year old program will be required to attend one mandatory evaluation day in August for placement in the 2025-2026 school year. We will reach out to all families later in the summer to set up an evaluation date. This will be a fun time for your child to meet the teachers, our school bunnies, and to observe their interactions with other children the same age. We want to make sure our school will be the best fit for your child!

Parents will be asked to pack a healthy lunch and a labeled spill proof cup full of water only for your child daily. Parents will also be asked 2-3 times during the year to provide a large box of crackers, cereal or other healthy snack for the children to share as a mid-morning snack. Please provide extra diapers, pull-ups, and an extra outfit in your child's book bag. Your child will have the advantage of receiving a quality preschool education in a small nurturing Christian environment. Your child will be given priority when registering for other programs at Ms. Heather's Educational Adventures. This year's class will build a solid foundation for future educational experiences.
